TUMKUR DIVISION.

Abstract Notification dated 14th September 1929.

The attention of the public is drawn to pages 1057 to 1059, Part VI of the *Mysore Gazette*, dated 19th September 1929, wherein tenders are called for "Constructing Female Dispensary, In-patients' Wards and Out-houses at Sira, Tumkur District."

The last date for receiving tenders is 2 P.M. of 21st October 1929.

Earnest money to accompany the tender is rupees five hundred (Rs. 500).

V. V. PATANKAR,
Executive Engineer.

MYSORE RAILWAYS, MYSORE.

MYSORE DIVISION (OPEN LINES).

Notification dated 24th September 1929.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Open Line Division, Mysore Railways, Mysore, up to 2 P.M. of Monday the 28th October 1929, for collection of nearly 7 lakhs C.ft. of Metal ballast between miles 296 and 312 on Mysore-Nanjangud Section. Contractors may give rates for supply of full quantity or any other less quantity to be specified by them.

2. Every tender should be accompanied by an earnest money of Rs. 100 which can be paid either in currency notes to the Executive Engineer, Mysore Railways, Mysore, along with the tender or can be paid to the Auditor, Mysore Railways, Mysore, and the receipt, thereof enclosed along with the tender. Such of the tenderers who pay the amount to the Auditor should advise him that the amount is paid on account of a tender for collection of Metal Ballast on Mysore Nanjangud Section.

3. Tender should be submitted in special forms which can be obtained from the Executive Engineer, Mysore Railways, Mysore, on payment of rupee one.

4. Tenders which give rates, as per estimate rates, or so much per cent above or below estimate rates, will not be considered.

5. The name of the accepted tenderer will be posted on the Notice Board of the Executive Engineer's Office. No enquiries regarding the acceptance or rejection of a tender will be replied.

6. The earnest money of the unsuccessful tenderers will be returned as soon as possible after the tenders are disposed of.

7. The successful tenderer should deposit 5 per cent of the value of work, not exceeding Rs. 500, and execute within a week from the date of notification of acceptance of his tender, the usual Railway Schedule Agreement. The earnest money of Rs. 100 paid will be taken as part of this deposit. Failure to comply with this condition will render the tenderer liable for forfeiture of the earnest money and contract cancelled.

8. The final acceptance of the tender will rest with the Engineer-in-Chief, Mysore Railways, Mysore, who does not bind himself to accept the lowest or any tender and who further reserves to himself the right to reject, without assigning any reasons therefor, any or all the tenders.

9. Work should be started within two weeks from the date of acceptance of tender, and completed in four months with a guaranteed monthly rate of progress.

10. The time limit specified in para 9 should be strictly adhered to and any violation of this will render the contractor liable to forfeit his 5 per cent deposit amount not as a penalty but as ascertained and liquidated damages recoverable accordingly.

11. Specifications and any other details required may be ascertained in the Executive Engineer's Office, Mysore Railways, Mysore, during office hours.

12. In all matters of dispute regarding rates, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Engineer-in-Chief, will be final and legally binding.

Y. K. RAMACHANDRA RAO,
Executive Engineer.

MYSORE DIVISION.

Notice dated 14th September 1929.

The Office of the Executive

the Barr Guards attached to the Sri Chamarajeswaraswami Temple at Chamrajnagar. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1931.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore Division between the hours of 11 A.M. to 5 P.M., on office days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 250 (two hundred only) in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for construction of qurters for the Barr Guards attached to the Sri Chamarajeswaraswamy Temple at Chamrajnagar", in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates should be quoted for item of work.
